

Ride-On Sweeper

SW1700

SHIBAURA

**High-performance, high-accuracy
of professional ride-on sweeper**

Achieved comfortability and high-efficiency of work !

Stable work performance on slopes with its wide tread and high followability of brush to uneven ground.
Secured maneuverability and comfortability with forward/backward independent pedals and a deluxe seat.

Light weight

- Excellent finish without wheel track marks.
- Fit to careful work with its small turning radius.

Shibaura's unique sweeping system

- Smooth sweeping performance with high followability of its brush to uneven ground without concerning clogging by rear discharging system.
- Enable to work even just after the rain.

Good visibility for an operator

- Excellent finish without wheel track marks.
- Fit to careful work with its small turning radius.

Forward/ backward independent pedals

Deluxe seat

Easy adjustment of height of brushes relieving a pain in the process.
